MICHAEL W. DOBBINS
CLERK, U.S. DISTRICT COURT

Sandra L. Brooks
Deputy Clerk

My case # (08C1638) Assigned Judge George W. -
Lindberg. My Federal Habeas Corpus was dismiss
for failure to pay filing fee as directed in the Court's
3-25-08 order. My issue is that I filed Forma-
Pauperis with supporting Documentation. I also put
a motion for appointment of Attorney as well, with
the petition. Let me say this, a Attorney was'nt
appointed to my case that im aware of. I believe
a error was made on my petition, because I never
received a court order for me to pay a filing fee
to the clerk of the court nor did the prison trust
fund office or the record office or business office.
There was never a March 25, 2008 order received by
me or the prison. I only was inform in March 20,
2008 of my case number and the judge name, at
least March 20 is when the letter was typed up. If
I was'nt aware of a filing fee order how could I be
punished for that error. When a court order is issued for
a filing fee the prison trust fund office would've took it
off my account and mailed it to your office. Could you please
reced your decision to dismiss my case and give me a chance to pay
the filing fee, since I was never made aware of the fee. Thank you.
